Midway is committed to providing the most comprehensive repair service in the industry. Our experienced and dedicated staff are ready twenty-four hours a day with state-of-the-art technology and a self sufficient machine shop.

We Repair:

- Air Compressors
- Blowers
- Drives
- Electric Motors
- Gear Boxes
- Hydraulic Cylinders
- Pneumatic Cylinders
- Pumps
- Vacuum Pumps

Our fully equipped machine shop has six full time machinists. By having these capabilities, we are able to offer the quickest turn around.

We offer in house or on site motor management systems, custom designed to your needs. These systems help you identify your critical motors.
